LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposed resolutions for (i) granting the Directors a general mandate to allot, issue and deal with Shares of up to 20% of the aggregate nominal value of the share capital of the Company in issue as at the date of passing the relevant resolution granting such mandate; (ii) granting the Directors the Proposed Repurchase Mandate; (iii) the extension of the mandate in (i) above by adding to it the aggregate nominal value of issued Shares repurchased under the Proposed Repurchase Mandate; (iv) the proposed re-election of the Retiring Directors and (v) the re-appointment of PricewaterhouseCoopers as the auditors of the Company are in the interests of the Company, the Group and the Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of all resolutions as set out in the notice of the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this document misleading.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix of this circular.

Yours faithfully,
for and on behalf of the Board
Qiu Haibin
Chairman of the Board

This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the Proposed Repurchase Mandate.

SOURCE OF FUNDS

Repurchases must be funded out of fund legally available for the purpose and in accordance with the Company's constitutive documents and the laws of the jurisdiction in which the Company is incorporated or otherwise established.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 14,879,351,515 Shares. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 1,487,935,151 Shares during the period ending on the earliest of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or Bye-laws or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Such repurchases may, depending on market conditions, and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that there may be adverse impact on the working capital or gearing position of the Company, as compared with the positions disclosed in the audited accounts contained in the annual report of the Company for the financial year ended 31 December 2017, in the event that the proposed Share repurchase was to be carried out in full at any time during the proposed repurchase period. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or its gearing levels.

SHARE PRICES

The following table shows the highest and lowest prices at which the Shares had been traded on the Stock Exchange in each of the twelve months immediately preceding the Latest Practicable Date:

GENERAL

As at the Latest Practicable Date, to the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates (as defined in the Listing Rules) intended to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) had notified the Company that he had an intention to sell any Shares to the Company, or had undertaken not to do so, in the event that the Proposed Repurchase Mandate is approved.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (as defined in the Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date and so far as was known to the Directors, Nantong Sanjian Holding (HK) Co., Limited ("**Nantong Sanjian**") was interested in a total of 4,462,317,519 Shares, representing approximately 29.99% of the issued share capital of the Company. On the basis that no further Shares will be issued or repurchased after the Latest Practicable Date, in the event that the Directors exercise the Proposed Repurchase Mandate in full, the shareholdings of Nantong Sanjian in the Company would be increased to approximately 33.32% of the issued share capital of the Company as reduced by the exercise of the Proposed Repurchase Mandate in full. Nantong Sanjian would be required under Rule 26 of the Code to make a mandatory offer pursuant to such increase.

The Directors have no present intention to exercise in full the power to repurchase Shares proposed to be granted pursuant to the Proposed Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be held in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares being held in public hands.

The Company did not repurchase any of its Shares on the Stock Exchange during the six months immediately preceding the Latest Practicable Date.
